

Protests UNRRA's Diversion of Rail Shipment to Slavs

Bridges Asks Explanation For Continued UNRRA Goods to Tito

Washington, Sept. 9.—(AP)—Senator Bridges (R-NH) protested to the State Department today a reported UNRRA decision to divert to Yugoslavia \$450,000 worth of steel rails originally destined for China.

The New Hampshire senator told a reporter he also is asking the United Nations Relief and Rehabilitation Administration for an explanation.

Saying he believes this country ought to shut off supplies to the Tito government until further amends have been made for the shooting down of two American transport planes last month, Bridges added:

"While ships are crossing the ocean bearing the bodies of American boys shot down by the Yugoslavs, they are passing other ships carrying goods to Yugoslavia just as if nothing had happened."

Bridges said his information is that the rails were obtained after Gen. George C. Marshall, President Truman's special envoy to China, made arrangements in March to have them declared surplus from the army engineer corps supplies.

UNRRA Helped Out
The senator added that in taking over the task of procuring the rails UNRRA obtained a special priority from the War Assets Administration "with the understanding they were to be sent to China and nowhere else" and proceeded to freeze all available supplies.

But by Aug. 7, Bridges said, changes had been made in plans so that of 10,789 tons of rails and accessories acquired, a total of 8,251 tons, valued at \$337,348 had been assigned to Yugoslavia. At that time, 2,538 tons, valued at \$112,661, had been earmarked in warehouses for China.

Subsequently, Bridges said, orders apparently were issued diverting the 2,538 tons to Yugoslavia also. After that, he said he was informed that efforts were made to find rails for China among American surplus stocks in Europe but with no apparent success.

In July UNRRA director F. H. LaGuardia ordered a halt to shipments of all except necessary foodstuffs to China, but Bridges said he does not believe this move lay behind the diversion of the rails to Yugoslavia.

Bridges said he was informed that the diversion was ordered by a Yugoslavia representative in UNRRA's industrial rehabilitation division.

Wants Shipments Stopped
Because of the maritime strike, the New Hampshire senator said it is possible that some of the rails still are on the docks at Hoboken. He added that if this is true, he hopes the shipments will be stopped by State Department or UNRRA action.

There was no immediate comment from either the State department or UNRRA.
Meanwhile, the way was cleared for another projected UNRRA shipment to Yugoslavia—that of 16 war surplus ice-making machines—which also had drawn protests.

Sale of the machines had been held up by WAA pending restudy of a ruling granting UNRRA and certain other international organizations priority rights to buy surplus goods.

On Saturday, a WAA official said top agency officials and lawyers had decided the priority policy was legal and "completely justified."

Stove Dealer Gets Help From Farmer Customers

Decatur, Ill., Sept. 9.—(AP)—Dealer Erwin Fiesler finally got the carload of 66 gas stoves his former customers long had been awaiting, but local trucking firms were too busy to unload and deliver them.

His impatient customers from seven neighboring farm towns wouldn't be denied any longer. They drove up to the railroad freight car in a long line of trucks and unloaded and delivered the stoves to their homes.

St. Laundry Inspector Asses Away in Lincoln

Lincoln, Ill., Sept. 9.—(AP)—Mrs. Natalie Porter Pegram, 57, state inspector of laundries and past president of the Iphi International, a women's sorority, died last night in her home after an illness of several months.

A native of Clinton, Ill., she owned the Lincoln laundry company. She is survived by two sisters, Mrs. R. P. Kile and Mrs. R. L. Roderick, both of Rockford, Ill., and two brothers, C. Marland Porter and H. H. Porter, of Chicago.

Governor Green to Talk to Maywood's Bataan Day Rally

Maywood, Ill., Sept. 9.—(AP)—Governor Dwight H. Green, addressing a "Bataan Day" rally in honor of this city's 3,835 World War II veterans, urged yesterday that "the weapons of peace" be used to strengthen America.

"We can do no better now than to take stock of what we have done and what we intend to do with the weapons of peace," the governor said.

"The housing situation," he added, "particularly as it affects veterans, is not only our greatest concern, but our most difficult problem."

"It seems to me the most effective step would be to bridge the gap between production costs and buyer income. *** government can best assist private enterprise, as the builder, and the veteran, as the tenant-buyer, by reducing land costs and by establishing conditions permitting longer periods of building cost amortization and lower financing costs."

Atom Era Battle Wagons Will Have Rocket Equipment

New Kentucky and Hawaii Will Carry "Guided Missile" Bombs

Washington, Sept. 9.—(AP)—V-2 type rockets or something like those dread German weapons may provide the main batteries for the atom era battleships Kentucky and Hawaii.

Naval experts, discussing today the announcement that the 45,000-ton battleship Kentucky and the 27,000-ton battle cruiser Hawaii are to be "guided missile" warships, said the two vessels will be used to test a whole series of such instruments of destruction.

Naval strategists see a tremendous value in launching robot rocket bombardments from ships roaming the sea. Fixed rocket launching sites ashore eventually can be towed and beached from the air. But the ocean-going bases can fire, change their position and fire again and then hide in the remoteness of the open ocean.

Construction of the Kentucky and the Hawaii was stopped some months ago when their hulls and propulsion machinery were completed. While this leaves a virtually free hand in building topside structures to handle the rocket battery installations, naval officers say a multitude of design problems have to be worked out.

Although the destructive power of each salvo fired will be greatly enhanced—especially when atomic

Movie "The Outlaw" Has Been Ruled Out

Hollywood, Sept. 9.—(AP)—Howard Hughes' movie "The Outlaw" has run afoul of the Motion Picture association.

Eric Johnston's office yesterday notified the producer, recuperating from airplane crash injuries, that it has withdrawn its certificate of approval from the picture, which stars Jane Russell.

The revocation said Hughes failed to submit to the association all advertising and publicity material used in exploitation and that he used material not approved by the association.

Hughes didn't seem to be greatly concerned.
"The censors may not like 'The Outlaw,'" said Hughes, "but the public does. The Outlaw has caused a great deal of controversy but its acceptance can hardly be debated."

Bull Halsey Says it Was Mistake to Drop The Hiroshima Bomb

Buffalo, N. Y., Sept. 9.—(AP)—The dropping of an atomic bomb on Hiroshima was a "mistake," in the opinion of Fleet Admiral William F. (Bill) Halsey, Jr.

"The first atomic bomb was an unnecessary experiment," he said Saturday night at a news conference. "It was a mistake to ever drop it. Why reveal a weapon like that to the world when it wasn't necessary."

Republicans Starting Second Week of Tour

Hillsboro, Ill., Sept. 9.—(AP)—Republican state candidates started the second week of their downstate campaign tour here today.

The itinerary also included stops today at Greenville, Vandalia, Centuria and Mt. Vernon. Making the tour are Vernon L. Nickell, seeking reelection as state school superintendent; Richard Yates, state treasurer nominee; and William G. Stratton, nominee for congress.

Trieste Outbreaks Followed by Rapid Quelling by Yanks

U. S., Allied MPs Put Down Violence in the Streets of Trieste

Trieste, Sept. 9.—(AP)—Armed U. S. and allied military police patrolled the streets of troubled Trieste today following an outbreak of violence yesterday during which they opened fire to disperse a pro-Yugoslav demonstration held in defiance of a military government ban. Seven Americans and one Briton were injured during the melee.

Trieste was declared off limits to all allied military personnel not on duty in the disputed city. All shore leave was cancelled for men of the U. S. cruiser Huntington and of several smaller British ships in the harbor.

Police also patrolled Gorizia, 25 miles north of Trieste, where American troops broke up a similar demonstration yesterday. The crowd was scattered without serious incident.

Defied Rejection
The Trieste demonstration, staged in defiance of AMG refusal to grant a permit, was scheduled to coincide with the anniversary of the Venezia Giulia partisan uprising on Sept. 8, 1943—and incidentally with the anniversary of Italian surrender. For several days prior to the incident, the Communist press had openly declared an intention to defy the prohibition.

The seven Americans—six soldiers and Associated Press photographer Daniel Jacino of New York were wounded when a hand grenade was tossed from a window in the San Giacomo district. A British officer was also reported to have been injured. Jacino suffered a leg wound from a steel fragment. Three soldiers were hospitalized.

Ask Supreme Court for Bonus Ruling * at Present Term

Springfield, Ill., Sept. 9.—(AP)—Twelve war veterans today asked the Illinois supreme court to rule on constitutionality of the \$385,000,000 state soldier bonus bond issue before it is voted on in the Nov. 5 election.

In a petition challenging the act's validity, they requested the court to review the case and issue a final decision during the tribunals' current term, which ordinarily would end Sept. 20. The special petition will be presented to the court tomorrow for action.

The veterans appealed a Cook county circuit court decision upholding validity of the bonus act, which is subject to voters' approval in November.

Under customary procedure, an opinion could not be obtained at the earliest until the court's next term opening Nov. 11—six days after the election.

Alfred Kamin, attorney for the 12 veterans, argued in the appeal the case was "extraordinary," adding:

"But for an early determination of this case, great sums of money may be expended out of state and county treasuries for a needless referendum upon an illegal and void proposition."

"The people of Illinois should know at the earliest date possible if the bonus act is a nullity or a valid enactment."
The petition contended the bonus act was unconstitutional because it provided for expenditure of public funds for publication of the proposition without a legislative appropriation, that it was "discriminatory," and that provisions for raising the money and retiring the bond issue were made irreparable for the life of the debt.

If voters approve the bond issue, the state will pay more than \$900,000 World War II veterans \$10 a month for each month of domestic service and \$15 for each month of foreign duty. The bonus act was passed by the legislature last June.

Foreign Ministers Want Postponement of US Conferences

New York Peace Meeting Would Interfere With Affairs in Paris

Paris, Sept. 9.—(AP)—The foreign ministers council, agreeing to a proposal by Soviet Russia, asked the United Nations general assembly today to postpone for one month its scheduled Sept. 23 meeting in New York to avoid conflict with the Paris peace conference.

At the same time informed quarters reported that the foreign ministers had decided to meet in New York next month to present to the assembly the peace treaties which the conference is now drafting for Italy, Romania, Hungary, Bulgaria and Finland. The ministers also would begin drafting treaties for Germany and Austria at that time, these quarters said.

The United States did not join in the request for postponement of the general assembly meeting, but did not offer any objection. Britain associated herself "provisionally" with the request, reserving final decision pending a telephone conference today between A. V. Alexander, who attended the foreign ministers' meeting, and foreign secretary Ernest Bevin, who has returned to London for discussions on Palestine.

France Supports Move
France joined with Russia in supporting the move, also favored by China and Belgium, who were invited to sit in with the Big Four.

The ministers' decision was taken at a five-hour meeting which began last night after U. S. Secretary of State James F. Byrnes' return from Germany, and continued into the early morning.

Russia has maintained for some time that the general assembly meeting should be postponed to avoid conflict with the peace talks. Byrnes from the beginning has taken the position that the assembly meeting should be held on schedule in order not to detract from the prestige of that organization.

At Lake Success, N. Y., secretary-general Trygve Lie summoned his top staff men to a conference to take action on the request.

Andrew Cordier, executive assistant to Lie, said the secretary-general called the meeting after conferring via phone with Paul

Holy Land Scene of Death and Disorder Over the Weekend

Jerusalem, Sept. 9.—(AP)—A British information officer announced today the Palestine railway had been cut in 56 places, the flow of oil to the port of Haifa disrupted and two persons killed in a series of outbreaks coinciding with the opening of British-Arab talks in London.

Explosions and gunshots broke out in various sections of the Holy Land. The information officer said these incidents were "apparently part of a larger Jewish terrorism campaign which partially failed because of break in timing."

The officer said he believed the campaign was planned by either Hagana or Irgun Zvai Leumi (Jewish underground groups), probably Irgun, as a demonstration of strength to coincide with the opening of the London conference, which the Jews so far have shunned.

(An authoritative source in London said Britain "might soon have to invite the Jewish agency to participate in the Palestine talks" on its own terms—"statehood within an adequate area"—to prevent failure of the conference. He added that the British would not make such a move however, before making every attempt to persuade "more moderate, non-agency Jews" to attend.)

Official reports said the series of incidents included:

Damage to railway lines in three areas between Jerusalem and Jaffa. In one zone 30 miles north of Jerusalem the line was cut in "20 or 30 places."

Breaking and firing of port oil lines from the Haifa refinery.
Destruction of a railway signal lower at Haifa and damaging of other signal facilities. An Arab boy was said to have been killed in the lower explosion.

The fatal wounding of a British police corporal, who was shot in Haifa.

The country was in a virtual state of siege. The Jerusalem siren sounded an emergency call at 12:47 a. m. and the all clear was still waited at noon. A strict curfew was maintained all night.

Only military vehicles were permitted on the roads. Roadblocks were manned. Security patrols were doubled.

New State Tax Law Will Cause Chaos, Say Legal Experts

Springfield, Ill., Sept. 9.—(AP)—Local governmental units in Illinois are threatened by "tax chaos and mass litigation" under mandatory 100 per cent property tax assessment laws, the taxpayers' federation of Illinois said today.

The new laws, which went into effect Jan. 1 this year, change legal limitations on maximum taxing powers of more than 15,000 local taxing units.

In its publication, "The Illinois Taxpayer," the federation said: "Have the legal ceilings on taxation, which protected the taxpayers in the past been raised so high by these changes to be virtually meaningless?"

Governments Say 'Yes'
"Under the interpretation by the state revenue department and tax committee of the Illinois state's attorneys association x x x the answer for thousands of local governments is 'yes.'"

"Under the interpretation of railroads, many tax attorneys and others, the answer is 'No.'"

"The supreme court of Illinois alone can decide which interpretation of what the law means is right—whether the lid is off or not—and it may be some time in 1947 before that decision can be obtained."

"If general agreement, fair to local governments can be reached for current operation under these laws, then these laws can be made workable for 1946 taxes prior to a supreme court decision."

Given Five Years
Under an intricate formula, local taxing units are given a five year period, from 1946 to 1951, in which to adjust their taxes before ceilings are halved. Increases generally are limited in one year to five per cent of 1942 maximums, and to a total of 15 per cent during the five year transition period.

A minimum tax rate also is provided. The federation said the minimum provided in one section of the laws will be higher than the maximum specified in another section "in all but one or two counties."

The federation, a statewide non-partisan organization for tax control, recommended an education program aimed at general understanding of the complicated laws, cooperation between public officials and taxpayers in working out a "fair solution" for 1946 tax ceilings, and action to obtain an early interpretation of the laws by the supreme court.

California Girl New "Miss America", 1946

Atlantic City, N. J., Sept. 9.—(AP)—Marilyn Buford of Los Angeles, "Miss California," who failed to win any of the preliminary competitions here, held the title today of Miss America, 1946.

An eight weeks movie contract at \$500 a week awaited her in California, beauty pageant officials said, and she held the pageant's top award of a \$5,000 scholarship.

The 21-year-old, blue-eyed, brown haired girl winner Saturday night of the annual beauty pageant, was advised by Dr. Guy E. Snively of Washington, D. C., executive director of the Association of American Colleges, to leave the University of California at Los Angeles where she is a student and use her scholarship for dramatic training. She said she would enroll for a three-months course in a New York dramatic school.

Jane McCall, 18-year-old "Miss Arkansas" drew second place in the contest and a \$3,000 scholarship, and Janet Miller, 18 "Miss Atlanta" was third, winning a \$2,500 scholarship.

OPA Ceiling Back on Canned Meats, Lard and Shortening Today

Washington, Sept. 9.—(AP)—OPA ceiling tags go back on canned meats, lard and shortening today.

Tomorrow they return to fresh meat, thus completing the farmer-to-consumer chain started when the price control board ordered livestock products brought back under price control.

OPA has not announced a comparison of the new canned meats ceilings with June 30 prices, but lard is due to average five and one-half cents a pound more and margarine and salad oils about one cent more for the usual consumer-size container.

The ceilings on fresh meats will average three and one-half cents up from June 30 but considerably below recent prices, the agency has said. Some cuts will be as much as 16 cents a pound higher than they last sold under OPA tags.

Democrat Caravans Move Into Central Illinois Campaign

Keys, Douglas Head List of Campaigners on Tour in State

Rushville, Ill., Sept. 9.—(AP)—Democratic nominees for state office today criticized the Republican state administration's handling of veterans' housing and other problems as they opened seven weeks' downstate campaign tour.

Sam Keys, of Lincoln, candidate for state treasurer, told a meeting here that veterans know that "passing the buck and appointing commissions" will not get housing built.

"When veterans, tired of the stalling and dilatory tactics employed by the Republican state administration, demanded action, they got another commission."

"The governor now has three commissions behind which he can hide while he prays for the problem to solve itself."

Keys, Douglas Speak
Keys spoke at a program with Emily T. Douglas, seeking reelection as congressman-at-large, C. H. Engle, Chicago, running for state school superintendent, state chairman George D. Kells, Chicago, and Paul Powell, Vienna, Democratic downstate organization director.

The Caravan planned to move to Canton for a rally tonight, and to Havana and Pekin tomorrow. Mrs. Douglas said men of little vision after World War I "urged us to embrace normalcy, quick profits and easy pleasures."

"Today, little men with little vision are again singing the siren lullaby of normalcy," she asserted. "They are trying to blind us to the major issues and tell us that our only concern should be swift profits and easy ways."

"Although we did survive Republican fumbling in the other unhappy postwar period, this is the atomic age and the same mistakes now might end civilization."

Attacks GOP foe
Engle, in a prepared address, contended his opponent, GOP incumbent Vernon L. Nickell, was

Communist Squatter Seizure of Property Worries the British

London, Sept. 9.—(AP)—The British cabinet met in special session today and mapped strategy to check a communist-led squatter campaign to seize public and privately owned buildings for housing 10,000 persons.

Even as Prime Minister Attlee and his ministers were meeting, squatters who took over two luxury apartment buildings and eight other dwellings yesterday extended their "invasion" to four additional houses in the swank Kensington district.

Many of the more than 1,000 men, women and children who took part in yesterday's mass move-in—part of a Communist direct action campaign—declared they would not budge.

Authoritative sources said the prevailing opinion in government circles was that the squatters now are taking over private property, rather than disused army camps as in the past month, and that "normal processes of law" must be used to get them out.

Christmas Packages to Soldiers May Go Later

Washington, Sept. 9.—(AP)—Christmas packages for soldiers overseas may be mailed without request slips between Oct. 15 and Nov. 15, a month later than in the war years.

Major Gen. Edward F. Witsell, the Army's adjutant general, said in announcing the date today that the numbers overseas are so much smaller and their movements so much less frequent it was decided there would be ample time for packages to arrive before Christmas.

Postal officers urged however that packages for soldiers in more distant places, such as Korea, be mailed in October.

Red Newspaper Tells Italian Vessel Plot

Moscow, Sept. 9.—(AP)—Pravda, quoting rumors it said had circulated in Rome, reported today that Italian naval commanders have orders to sink all their ships when the time comes for delivery of the vessel as reparations.

Pravda said Foreign Minister V. M. Molotov had warned in June that the Italian government should be held responsible if the ships were sunk.

Boy King, Simeon Second, Lost His Throne in Election

Sofia, Bulgaria, Sept. 9.—(AP)—Nine-year-old King Simeon II, a blue-eyed school boy who has been the figurehead of the Bulgarian government for the last three years, has lost his throne.

The government announced today that votes cast in Bulgaria's Sunday plebiscite favored the establishment of a republic 3,801,160 to 171,000.

Simeon will go into exile this week. Helping his mother, Queen Joanna, to pack, he has expressed pleasure that he will soon see his Italian cousins, his grandfather, former King Vittorio Emanuele of Italy and many other relatives in exile.

Gergi Dimitrov, communist leader, declared in a nationwide broadcast the Bulgarians had voted for a "people's republic" which would help bring peace to the Balkans.

"Bulgaria will not be a Soviet republic," said Dimitrov, former secretary-general of the communist. "There will not be any dictatorship. The basic factors will be the laboring majority of the people and Slav unity and brotherhood against any aggression."

Vassil Kolarov, speaker of Parliament, is to become provisional president pending selection of a national assembly Oct. 27.

New Shortages To Hit New York; Stores Close

New York, Sept. 9.—(AP)—The strike of 25,000 truckers in the New York metropolitan area gave New Yorkers a sharp new blow today when a large sugar refining firm suspended operations and a spokesman for a chain store predicted 2,000 retail chain food stores would shut down completely by tomorrow.

The National Sugar Refining Company, which claims to be the largest processor in the metropolitan area, said it suspended operations at its Long Island City plant and another sugar firm disclosed it had made no deliveries in the metropolitan area for a week.

The chain store spokesman, who declined use of his name, said of replenishing them. "There's nothing to do but shut up shop. You can't sell what you haven't got," he said.

Union members yesterday refused to accept a compromise settlement plan to end the week-old strike.

A spokesman for the National company said the plant normally processed 4,000,000 pounds of sugar daily. However, because of the truckers' strike it is unable to make deliveries. Also, he added, the strike of seamen has prevented the company from getting raw sugar.

**Republicans Appear
to be Winning Maine
Congressional Vote**

(By The Associated Press)
Maine voters harvest the first fruits of the congressional campaign today with a general election in which the Republicans appear to hold the edge for senator, governor and three representatives.

Nominating conventions and primaries in Connecticut, Colorado, Louisiana and Rhode Island make up the remainder of the week's major political attractions.

In Maine Senator Owen Brewster, (R) is bidding for a six-year extension to the congressional career he began with his election to the house 12 years ago tomorrow. After three terms in the house, Brewster is completing his first senate term.

A victory for him over Peter M. McDonald, former Democratic state chairman probably will plunge Brewster into an active campaign on behalf of some of his colleagues. He is expected to take over command immediately of the Republican senatorial campaign committee.

**Butchered Parts of
Man's Body Found in
San Francisco Alley**

San Francisco, Sept. 9.—(AP)—The butchered parts of a man's body, wrapped in cotton and brown paper and tossed out in the alley behind a downtown theater, were discovered here last night by a group of teen age youths.

Police reported the gruesome packages contained all the thus far unidentified butcher victim but the head and hands. Those parts still were missing today despite careful search of the vicinity where the other dismembered pieces were found.

So precise were the cuts by which the body had been cut up that police speculated the job might have been done with surgical instruments or at least by someone with a very good knowledge of anatomy. The missing head and hands, they speculated, were disposed of in some other location to prevent identification.

SOCIETY

Program for Season for O. E. S. Started Here Friday Night

The fall and winter activities for Dorothy chapter, No. 371 O. E. S. were started Friday evening when Advanced Officer's Night was observed. This is an annual affair and is looked forward to with great anticipation by the line officers.

Mr. and Mrs. L. C. Santeauan taking their places in the east introduced Mrs. Maude Hobbs as Orville W. Dudd as Worthy Matron and Worthy Patron for the evening. Mrs. Violet Espy served as associate Matron and Mrs. Flora Stitzel as Conductress. Associate matrons and associate patrons of the other chapters served as follows:

Sol. Avey, Mt. Morris chapter, associate patron; Mrs. Floy Norton, Mt. Morris chapter, secretary; Mrs. Gladys Hollingsworth, Holcomb chapter, treasurer; Es-ther Carlson, Forest City chapter, associate conductress; Miss Jane Hubbard, Freeport chapter, chaplain; Mrs. Elora Arthur, Sterling chapter, marshal; Mrs. Ina Abbott, Charity chapter, organist; Mrs. Lucille Rahn, Bernice chapter, Adah; Mrs. Alice Brimey, Sallome chapter, Ruth; Mrs. Alice Whitney, Mississippi chapter, Esther; Mrs. Sarah Reid, Mississippi chapter, Martha; Miss Mary Ellen Bisker, Corinthian chapter, Electa; Mrs. Clara Olson, Starlight chapter, warder; Benjamin Bisker, Corinthian chapter, sentinel.

As Mrs. Hobbs was escorted to the east, 12 girls carrying glad-oli sprays accompanied her. Mrs. Hobbs and the guest officers were given a lovely welcome in the words of a song by Mrs. Edith Pollock. Mrs. Beulah Tennant was guest of honor and received the same honors from the escorts and the soloist.

Mr. and Mrs. Charles Swin who on Sept. 5th, celebrated their 40th wedding anniversary, were escorted and introduced and given places of honor in the east. Mrs. Swin was presented with a beautiful bouquet, the gift of her husband and Mrs. Pollock sang, "I Love You Truly."

Mr. and Mrs. Santeauan, Worthy Matron and Worthy Patron of the chapter, presided during the business meeting and called upon guests for remarks after which a short program was given: duets by Mrs. Pearl Rickard and Mrs. Myrtle Bishop, and two readings by Mrs. Louise Ogren. Following the meeting a reception was held for the advancing officers.

The chapter room was beautifully decorated with large baskets of flowers as was the dining room for the dinner served to the 200 guests. The favors for the guest

officers were a pair of pottery bud vases each containing a yellow rose.

WA-TAN-YE DINNER OPENS FALL SEASON

Eighteen Wa-Tan-Ye members met at the Nachusa Hotel for the first meeting of the fall season, Thursday, Sept. 5th at six-thirty. A delicious dinner was enjoyed and an important business meeting followed. Gertrude Wilhelm, finance chairman reported that a three point project would be carried out for the year. A lecture by Eugene Vest, a recital by Mrs. Curran and Mrs. Chasteen and the annual doll show. The National project for the year is bringing sunshine and cheer to Hospitalized Veterans and the club is sending \$10 to the Recreation Dept. of Hines Hospital for their bit this month.

Eight new members were presented by Mrs. Helen Shickley. Mrs. Gene Harvey read thank you letters from the American Heart Association Inc., and the American Cancer Society of New York for the club contribution of \$100, the proceeds from the concert given by Mrs. Curran and Mrs. Chasteen.

DOROTHY MAYES

Dorothy Mayes was the honoree at a lovely miscellaneous show given for her by Mrs. M. E. Worman and Mrs. E. J. O'Rourke in the former's home. Miss Mayes is the bride-elect of Lester Hill of this city. Their marriage will take place Sept. 27. The bride-elect received many beautiful and useful gifts which were hidden throughout the house and with the aid of alarm clocks ringing every few minutes at different hiding places, she was pleasantly surprised. Games were the diversion of the evening. Refreshments were served by the hostesses.

Those attending were: Mrs. Glen Reagle, Mrs. Phil Smith, Mrs. Murrie Grove, Mrs. Paul Grove, Mrs. Thomas Morris, Mrs. Revere Rinehart, Mrs. Don Worman and Bobby, Mrs. Walter Hoyle, Mrs. Levi Hensen, Mrs. Harvey Schofield, Mrs. C. L. Carey, Mrs. Charles Swegle, Miss Irene Schaeffer, Miss Teresa Berchon, Miss Mary Ellen Swegle, Miss Shirley Mayes, Mrs. Lester Hill (mother of the groom-to-be) Miss Margaret Reynolds and the guest of honor.

SUNDAY BREAKFAST

Mrs. Harry Flain and Mrs. Robert Andrews entertained at breakfast Sunday morning for Miss Phyllis Andrews with a miscellaneous shower. Mrs. Paul Koepke, Mrs. Dale Flynn, Mrs. Dorothy Campbell, Mrs. George Cain, Miss Janice Brand, Miss May Lucille James, and Miss Gwen Conlon were the guests. Mrs. Archie Andrews was unable to attend.

Harry Himes of Ashton Is Wed

An evening wedding ceremony performed in the Little Stone church at Rockton on August 15, united in marriage Miss Naomi A. Larson of Colchester, daughter of Mr. and Mrs. Leslie Larson, and Harry Himes of Ashton. Rev. Claude Warren read the single ring service.

They were honored at a dinner given before the wedding by Mr. and Mrs. Rudolph Olson of Rockford who also attended the bride and groom. For her wedding the bride wore a powder blue suit and a corsage of red roses.

The newlyweds enjoyed a 10-day wedding trip through northern Wisconsin and Minnesota.

The bride is a graduate of Western Illinois State Teachers college at Macomb and attended the University of Wisconsin for work on her master's degree. She is teaching home economics at Oregon high school this fall.

Time-Saving Coifs

Pin-on hair pieces can turn short bobs into elegant coifs. Examples are the crown-to-nape swirl, upper left; braided coronet, upper right, and the sleek puffs, below.

By ALICIA HART
NEA Staff Writer

The girl with short locks who regrets having cropped her crowning glory can put it back on with hair pieces that pin on, look as unfaked as her eyebrows, and are as fashionable this fall as a feathered hat.

Returned after a wartime absence are imported supplies of human hair on which stylists are turning loose their pent-up talents. Experts like New York's Joseph Fleischner, hair-piece maker for the nation's smart women, are spurred on by a new incentive. Pin-ons this season must bridge the gap between short hair-dos and this fall's elegant coiffures.

As do movie stars, who wear undetectable pin-ons for versatile and time-saving coifs, any girl can now add a matching bang, braid, twisted chignon, fancy coronet, curly topknot, a discreet puff or two, or a crown-to-nape, swirl. Then, again, there is the hair-piece called a "falls" which is

LUNCHEON FOR BRIDE IN GRANDY SATURDAY

Saturday afternoon at 1 o'clock Miss Gula Smith entertained with a luncheon shower at Grand Detour honoring Miss Phyllis Andrews who on Tuesday will become the bride of Kenneth Brown of Polo. The table was daintily decorated in yellow and white with favors for each guest in the form of nut cups fashioned of lace and lace doilies. Phyllis was presented with many lovely gifts by the following: Mrs. Robert Ambrose, Mrs. George Cain, Mrs. Dudley Hubbard, Mrs. Harry Stain, Mrs. Paul Popeck, Mrs. Al. Flynn, Mrs. Don Campbell, Dorothy Cortright, Mary Lucille James and the hostess.

BIRTHDAY PARTY

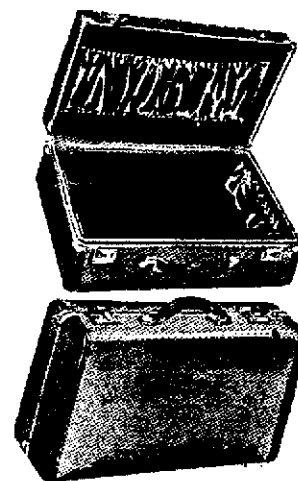

Mrs. Sterling Stackhouse entertained a small group of friends for her daughter, Diane's seventh birthday. After an afternoon of playing games the children were served delicious refreshments.

Picnics are complete when a huge casserole of savory spaghetti, bubbling hot is the main dish. Bake the casserole and take it, paper-wrapped, to the picnic.

Cards Nip Pirates Twice to Pad Lead Over Winning Bums

Athletics Dump Boston; Sox Beat Tigers to Climb Fifth

(By the Associated Press)
The Brooklyn Dodgers have stolen the "Gashouse Gang" tag from the St. Louis Cardinals with their daring tactics which may yet pay off with a National League pennant.

Leo Durocher's hustling, fighting crew is displaying the same dash and fire as Frankie Frisch's Cardinals displayed in the early '30s, when Pepper Martin and company literally stole their way to the world series.

To date the Dodger greyhounds, led by pistol Pete Reiser, have stolen 94 bases to rank far out in front of all major league clubs and almost double the output of the Cardinals, who have pilfered 51 sacks.

The Dodgers hit a new high for one game yesterday when they swiped eight bases—three short of the modern National League record—in drubbing the New York Giants 11-3. Despite their victory, the Dodgers dropped a half game to the Cardinals, who swept a double header from the Pittsburgh Pirates to increase their first place lead to two full games.

Position Not Bad

However, the Dodgers' position is not as bad as it sounds, since they are only one game behind in the losing column, having two more games to play than St. Louis.

Reiser was the Dodgers' biggest larcenist yesterday. He stole three bases, including home, to make it 34 for the season. Seven times this year he has stolen home. Joe Hatten held the Giants in check with four hits.

After eking out a 5-4 decision in 11 innings of the opener, the Cards pummeled five Pittsburgh pitchers for 17 hits to coast to a nightcap victory 12-2.

The Boston Red Sox will have to win the American League flag in the west. Despite their defeat by the Philadelphia Athletics 5-3 yesterday, they came nearer to clinching when both the second place New York Yankees and the third place Detroit Tigers dropped twin bills. The Sox now need only one more victory to eliminate the Yankees and two to end all mathematical chance for the Bengals. They can do it tomorrow when they meet the Tigers in Detroit.

Washington beat the Yankees twice, 2-1 and 9-8. The first game went 11 innings and was won when Stan Spence poled his second homer of the day.

Sox Take Pair

The Chicago White Sox topped the Tigers twice, Ed Lopat out hurling Hal Newhouser 3-2 in the first game, and Frank Papish shutting out the Tigers 6-0 in the afterpiece. Newhouser's defeat was his seventh against 24 victories.

Don Ross, seventh inning homer enabled Bob Feller and the Cleveland Indians to defeat the St. Louis Browns 3-2 after St. Louis had won the opener 4-1 behind Jack Kramer. In achieving his 23rd victory after being beaten six times in his last seven starts, Feller fanned eight to run his streakout total to 301.

Hank Wyse pitched and batted the Chicago Cubs to a 4-1 victory over the Cincinnati Reds. Wyse held the Reds to four hits and drove in the first two runs with a double.

Totals . . . 736 781 788 2405

The other match found a team from the Recreation defeating a Golden Bowl team at Polo by 91 pins, 2546 to 2455. Hank Chamness led the locals with 547 and Clayton's 531 topped Polo. The scores:

Polo	1	2	3	Tot.
Deats	160	154	173	487
Karstedt	157	160	147	464
Noakes	145	192	126	463

Wolfe	176	170	164	510

Totals . . . 814 887 754 2455

Among the "600" series turned in so far, only one has been reported from the girls, Marguerite Woodyatt's 602 rolled at the Lanes. Chopp Rostbrook, Walt Klein and John Smith also have had a three-game series there in their practice games. The highest score reported so far is Ed Sack's 692 at the Recreation Friday night on games of 133, 241 and 269. Here's a returned ex-service man who'll bear watching this season as he has one of the nicest deliveries in Dixon. As Gus Flowers is rolling on our team, after laying out a bowler for four or five years, thought it a good idea to get him down for a little practice, so together with his wife, Virginia, we rolled four games last week. With Russ starting off with a snappy 91 which gave us the idea he could get that many pins with a cue and billiard ball. Helen Klein has a new ball this season, and with Amanda Smith, another top-notch, is putting in quite a bit of practice to be ready for tonight's

delphia Phils split a double header, the Braves winning the first game 4-3 on pitcher Ed Wright's ninth inning single. The Phils, behind the five-hit pitching of Tom Hughes, won the second game 4-0.

Compton Eastern Division Third Place Entries

The Compton baseball club, shown above, saw its title drive in the Eastern division of the Midwest league stalled by Lee's last-minute drive, and wound up in third place. Reading from left to right, front row: Gene Bradley, Dean Zimmerman, and Manager Bruce Angell. Second row: Bill Grove, Bob Torman, Bruce Daw, Elmer Matekitis, Bill Town and Walter Zinke. Back row: Russ Dennis, Lou Shaddick, Kermit Knetsch, Wilbur Hanson and Ray Walter. Compton's All-Star delegation includes Walters, catch, Town and Hanson, infielders, and Grove, an outfielder.

Snead Carries Off \$10,000 Tam Swag; Shoots Sub-Par 69

Matches Saturday Score For International Title Money

Chicago, Sept. 9.—(AP)—Slammin' Sammy Snead has whipped his scrambling golf game and today rustled \$10,000 fresh cash in his pocket to prove it.

A forlorn fairways figure since he meted to the British open title early in July, Snead yesterday roared back into the golfing limelight with a two-stroke victory in George S. May's "world championship" showdown.

Snead copped the 36-hole, winner-take-all feature at the Tam O'Shanter course with a six-under-par 138, two strokes ahead of Byron Nelson, a substitute for PGA champion Ben Hogan. U. S. open

Matches Saturday Score For International Title Money

Chicago, Sept. 9.—(AP)—Slammin' Sammy Snead has whipped his scrambling golf game and today rustled \$10,000 fresh cash in his pocket to prove it.

A forlorn fairways figure since he meted to the British open title early in July, Snead yesterday roared back into the golfing limelight with a two-stroke victory in George S. May's "world championship" showdown.

Snead copped the 36-hole, winner-take-all feature at the Tam O'Shanter course with a six-under-par 138, two strokes ahead of Byron Nelson, a substitute for PGA champion Ben Hogan. U. S. open
